Dear Parents:

Under "No Child Left Behind" requirements, you have the right to know the professional qualifications of your child's teacher. We are pleased to welcome Mrs. Angela Lujan and Mrs. Sandy Zugelder to Frank Rushton School as our new student learning center teachers. Both teachers are currently licensed as general education teachers in the state of Kansas, and are working toward their Master's in Special Education through the University of Kansas. Upon completion of their program they will become licensed in special education as well.

Mrs. Zugelder and Mrs. Lujan are enjoying working with your child and look forward to meeting each family. Please call the school if you have questions. Thank you.

Sincerely,

Mary Welsh

Principal
