www.kckps.org

## The Parents Right to Know

Under the federal No Child Left Behind Act, parents have the right to know the professional qualifications of their children's classroom teachers. Schools are required to let you know:

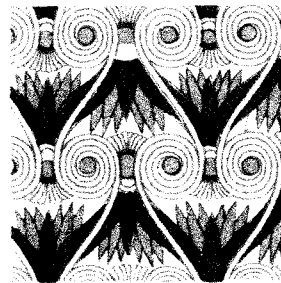

- Whether the teacher has met state qualifications and licensing standards for the grade levels and subject areas he or she teaches.
- Whether the teacher is teaching under emergency or other provisional status where state qualifications or licensing standards have been waived.
- The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.
- Whether the child is provided services by paraprofessionals and, if so, their qualifications.

If you would like to receive this information, please call the school and you should get a report in about one week.

## Agendas

Soon, all McKinley students will have Agendas. These agendas will promote consistent communication between school and home. Teachers will be writing notes to parents and parents should sign the agenda nightly and send it back to school with your child.

Kindergarten and first grade student agendas are on order and should be in soon!

Please call the school 627-7350 if your child will be absent!  
Thank you!

Reminder - school begins at 9:00. Students eating breakfast should arrive at school at 8:35am. Students that arrive early will be waiting outside for the 8:50 bell. Unified District 500

## From the Principal

What off is a great  
start at McKinley.  
Thank you to all of the  
families who support  
our school. We need  
everyone's help in  
getting to me all of the  
information that I  
am so happy to be here  
at McKinley and so  
proud of all of you.  
They are so excited to  
the creation of your  
children. Please  
let us know if there is  
anything that we can do  
to assist your child in  
his/her education. You  
are your child's first and  
most important teacher  
and we will here to  
support you!
