2011-2012

WE'RE HERE TO SERVE YOU!!

Our department offers a full range of catering for your next function or event. We take great pride in our catering services and look forward to the opportunity to demonstrate our quality. The menu selections in this booklet are the most frequently requested items and should serve as a guide for your needs. These items represent a sampling of what we have to offer. Should your plans include items or selections not listed, we would be happy to customize a menu for you. Whether you are planning snacks for a meeting or a special event, it will be our pleasure to assist you with the arrangements!

We provide the best service when orders are placed in advance. The more involved the function, the more notice necessary to plan and co-ordinate the event. We require 2 weeks notice, but can accommodate shorter notice requests with items on hand. A final guest count is required 48 hours before the event. This count is your guarantee number and the amount you will be billed. There is no charge for cancellations made at least 2 days before the event. Cancellations made after may be subject to a service charge.

Items may be picked up or delivered. Linen and skirting are only available for full service functions at an additional charge. Flowers and/or special decorations and servers can be provided for your event for an additional charge as well.

We are not just school lunch anymore! We will be glad to assist with your staff meetings, in-service training, school celebrations, special luncheons, holiday parties, retirement parties, etc. **As a support service of this district, all revenues generated by the catering department remain in the school food service fund.**

To inquire about catering or place an order, please contact Kristy Alvord, Nutritional Services Manager at 627-3915, 913-449-9180 or e-mail at kralvor@kckps.org . You may also call me at 627-3914 or e-mail kafloyd@kckps.org or Brenda Houston at 627-3920.

We look forward to serving you,

Karla Floyd, R. D. MAOM
Director of Nutritional Services

HOW TO PLACE AN ORDER

1. Contact Kristy Alvord at ext. 3915 or email her at kralvor@kckps.org
2. Provide the following information:
 - *Name and phone number of contact person (this person should be available during the set up of the event).
 - *Date of the event.
 - *Location of the event, including a room number if applicable
 - *Time the food should be delivered and picked up
 - *Amount of people being served
 - *Name of the event, for example "Cabinet Meeting"
 - *What food items you want to order. Please be specific.
 - *Any special request i.e. vegetarian option, color napkins, decorations, etc.
3. Make sure that arrangements have been made with a custodian to provide table(s) for your event. We asked that the buffet table(s) be set up 30 minutes prior to our arrival. This helps speed up the set up process.
4. We work hard to make your event look nice by providing the use of Nutritional Services equipment. We ask that you keep all equipment in one location for pick up. It would be suggested that someone be in charge of it to ensure that it all gets picked up. Any unreturned items i.e. baskets, trays; bowls, etc. are subject to a charge. Please help us keep our cost down by returning all items. Everything will be picked up at the scheduled time. If we have to make multiple trips to your school to get all equipment an extra trips charge will apply.
5. After the event an invoice will be sent to the contact person, unless otherwise stated, within a month of the event.

Thank You for Your Support
