Instructions:

The Purchasing Department of U.S.D. 500 operates under an automated procurement system. With this system there are several large databases, of which the vendor database and the Commodity/Service database are the most critical.

We are currently registering our vendors and the Commodities and/or Services they provide. This information will be useful in developing and maintaining current and accurate bid lists. To help accomplish this task, we request that you complete and return the Vendor Registration Application and the Commodity/Service List forms to the address provided at the top of the page.

To complete the Commodity/Service List form, place a checkmark by the Commodities and/or Services that your company supplies.

Reminder: Be sure to return both the Vendor Registration Application and the Commodity/Service List forms.
