### School Highlights

- **Awards Assembly** — Annually students were recognized for their increased student achievement, efforts, attendance, and outstanding behavior.
- **Back to School Festival** — A Back to School Festival was offered for parents and students at the start of the school year to provide families an opportunity to meet staff, find their classroom and to meet their child's teacher to begin to develop a relationship with the teacher which is important to student success. Students that attended received additional school supplies to support their academic achievement through the school year.
- **Carnival** — Grant's Annual Carnival was a time for parent/family/community involvement. Families enjoyed lots of fun, food, games, and prizes.
- **Family Advocacy** — The Family Advocacy System was an ongoing program that assigned every student to a teacher who served as their advocate. The advocate worked with the students and their families. With parents as partners, the advocate worked with the student to ensure the student's success. The student, parents, and advocate worked together to set goals and review the students' academic progress during the Family Advocacy conference. Family Advocacy conferences were held twice a year along with monthly contact from the child's advocate.
- **FAST Program (Families and Schools Together)** — This program focused on the whole family. It brought families together one evening per week for eight weeks. The families shared a meal together and then participated in activities that may have taught parents some parenting skills and/or activities that bonded the family together.
- **Field Trips** — Parents were encouraged to attend field trips to be part of their child's learning experience.
- **Family Nights** were provided to give families another opportunity to find out the focus of instruction in the classroom encouraging parents to continue the learning at home which supported the school with increased academic performance of students.
- **Happy Bear** — Presentation to Kindergarten and First Grade students by Sunflower House taught students good and bad touch and the importance of telling when someone touches in a bad way or makes you feel uncomfortable.
- **Kindergarten and Fifth Grade Graduation** allowed families to experience a culmination of academic success with their child and the school.
- **Observations** — Parents were encouraged to observe in classrooms, assist teachers and work with their child at home.
- **RIF (Reading is Fundamental)** — Students had the opportunity to receive books periodically throughout

the school year to support independent reading and building their at home library.

- **Score I for Health** was a health promotion and disease prevention program for elementary-aged children built upon the belief that optimal health and well-being enhances one's ability to learn, grow and develop creatively. Each year Score I continues to work with students of Grant Elementary.
- **Scrubby Bear** — Presentation to Kindergarten and First Grade students by the American Red Cross taught students about good hand-washing and the importance of keeping their hands clean to prevent the spread of germs.
- **Student Agendas** were provided to every student to communicate with parents along with providing children management skills. The compact was provided within the agenda to daily remind parents of the partnership between parents, teachers, students and the principal. Other information was provided within the agenda so that parents would be informed about the school, policies and expectations at Grant Elementary.
- **Student Council** — Elections were conducted each year for student council. Students made speeches to hold office of President, Vice President, Secretary, and Treasure; representatives were also selected per grade level.
- **Volunteer Appreciation** was given to parents of Grant Elementary. At this time parents had an opportunity to review the parent involvement policy providing input as to what might be added or removed as it supports the involvement of parents and the collaboration of the academic performance of students.

## Mission Statement

The mission of Grant Elementary School is to develop independent lifelong learners who are productive members of society.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to access local strengths and weaknesses based on past performance and to plan program improvements.

Kansas City, Kansas Public Schools • 625 Minnesota Ave • Kansas City, KS 66101 • (913) 551-3200

*Mission: We believe all students will reach higher levels of success and the achievement gap between student groups will disappear.*

Current Accreditation Status: Accredited

Title 1 School on Improvement for the past 3 years.

## ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2007-2008 school year, this school did make AYP. More information on this school's performance on the AYP measures is provided below.
