School Highlights

• **Strengthening Relationships**

- Teachers implemented a weekly FAS period with students to develop teamwork, improve social skills, and strengthen relationships.
- Weekly newsletters from each teacher provided families with information related to behavior, curriculum, and upcoming events.
- High percentage of participation in FAS conferences allowed us to focus on partnering with families to meet the needs of our students.
- Primary classrooms paired with intermediate classrooms for reading buddy activities that developed positive relationships and provided opportunities to practice reading skills.
- Monthly celebrations of Excellent Behavior and Perfect Attendance, Quarterly Celebrations of Success, Birthday Lunch with the Principal, and Reading Achiever Celebrations provided opportunities to recognize and honor student achievement.

• **Strengthening Community Connections**

- A TARGET grant was awarded to Lindbergh to develop and implement a Take Home Book Bag Family Reading project. Kindergarten, first grade, and second grade students checked out book bags that included a book, an activity sheet, and the consumable items needed to complete the activity with their families.
- Cheeseburger in Paradise provided kids meals for 40 students at our Circle of Friends' community field trip to celebrate successful development of social skills.

• **Strengthening Instruction**

- An ESL teacher and aide provided instruction and academic support for our growing ESL population.
- Teachers attended an ESL Methods class to gain knowledge and skills in teaching ESL students.
- SIT teams met regularly to brainstorm ways to meet the needs of struggling students, as well as the needs of high achievers.
- Academic field trips provided students with enriched opportunities to learn in a variety of settings (apple orchard/pumpkin patch, Star Base, Star Lab, Water Rally, Quilt project at Kaleidoscope).
- A variety of assessments were used to identify needs of students, which teachers then addressed in their instruction.
- Tutoring was provided during third quarter for students performing below grade level in math and/or

reading.

- Teachers worked as mentors in our PDS program with Emporia State University, thereby lowering student/adult ratio in classrooms.
- Title I money was used to provide an extra classroom teacher in order to keep class size as small as possible in all grade levels.
- A Technology teacher provided instruction in computer skills.

Mission Statement

Our Lindbergh community will work together to develop students' ability to reach higher levels of success and become lifelong learners and responsible citizens.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to access local strengths and weaknesses based on past performance and to plan program improvements.

Kansas City, Kansas Public Schools • 625 Minnesota Ave • Kansas City, KS 66101 • (913) 551-3200

***Mission:** We believe all students will reach higher levels of success and the achievement gap between student groups will disappear.*

Current Accreditation Status: Accredited

Title 1 School on Improvement for the past year.

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2007-2008 school year, this school did not make AYP. More information on this school's performance on the AYP measures is provided below.
