### School Highlights

- New Stanley made Adequate Yearly Progress in all of its subgroups in reading and math.
- McDonald's at 42nd and Kansas Avenue adopted our school and we participated in monthly McTeacher Nights. Staff and PTA members served as greeters to our families and other patrons on those nights. The restaurant donated a percentage of the sales to the school.
- Our Small Learning Communities worked this past year on activities to improve relationships and students' academic performance. The Incredibles, Scholars, and Gap Zappers planned activities which incorporated learning with fun activities.
- Reading for pleasure and problem solving were the focus of our monthly family literacy nights.
- As part of their commitment to the community, students raised over \$700 for United Way; over \$1,700 for Jump Rope for Heart; and donated canned goods to Harvesters and Crosslines.
- Destiny Lorance, a first grade teacher, was selected as New Stanley's 2008 Teacher of the Year.
- Maria Hernandez' artwork was selected for the KCK Public Schools holiday card. New Stanley students were recognized by a representative from the Mexican Embassy for their artwork.
- New Stanley continued as a Professional Development School. Working with the University of Kansas, New Stanley collaborated with interns and student teachers from KU in their classrooms throughout the year.
- Home visits to students' homes by teachers took place at the beginning of the school year. Teachers introduced themselves to each student's parents and started building school to home relationships.
- English as a Second Language students made at least one year's growth in their language scores.
- A William Allen White Book Club for third, fourth, and fifth graders met during the school year. Students read, reviewed, and voted on their favorite books.
- As part of the safe and drug free prevention plan, parents, students and staff participated in a drug free celebration.
- The Home/School Bookbag Program, designed by the ESL Teacher and Librarian, was focused on math and science. Each bookbag contained a book to be read and supplemental activities for the parent and child to complete. These were available in English and Spanish.
- New Stanley students and staff participated in a Spirit Day by sending positive messages to other classes and the community.

### Mission Statement

New Stanley is a community working together in a safe and positive learning environment resulting in success for all.

**Mision Declarada:** New Stanley es una comunidad que trabaja junta en un ambiente seguro y positive dando como resultado exito para todos.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to access local strengths and weaknesses based on past performance and to plan program improvements.

Kansas City, Kansas Public Schools • 625 Minnesota Ave • Kansas City, KS 66101 • (913) 551-3200

***Mission:** We believe all students will reach higher levels of success and the achievement gap between student groups will disappear.*

Current Accreditation Status: Accredited

Title 1 School on Improvement for the past 2 years.

## ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2007-2008 school year, this school did make AYP. More information on this school's performance on the AYP measures is provided below.
