### School Highlights

- **Community Garden Project:** This project gave students the opportunity to beautify their community and learn academic concepts through gardening.
- **Student Council:** The council encouraged leadership skills of students in 1st, 2nd, 3rd, 4th, & 5th grade and represented Caruthers and the student body in a positive way.
- **Reach Back Program:** This program was a partnership between Baker University and Caruthers Elementary. The goals of this program were to provide additional academic support to students through college student classroom aides and later, a visit by 5th graders, on Baker's campus.
- **Accelerated Reader and Math:** A grant awarded to the school allowed students to utilize a computer software system. This software addressed individual needs in math and reading through multimedia activities.
- **Birthday Club:** Students from Shawnee Mission East Share through the National Council of Jewish Women, Greater Kansas City Section provided a monthly luncheon and gifts for students in honor of their birthday.
- **Self Manager Program:** Recognized and rewarded, monthly, those students who exhibited good self-discipline in all areas of the school.
- **Artist-in-Residence Program:** Provided our students with opportunities to study specific concepts and/or attend a performance with an artist in a particular field.
- **Reading First Grant:** A grant which provided specific training to teachers in grades K-3. Teachers learned how to teach students at their developmental reading level.
- **Instrumental Music:** All 4th grade students had an opportunity to learn how to play a musical instrument. 5th grade students chose to play a musical instrument. They then played for parents, students and staff at least twice a year.
- **Homework Party:** This was a quarterly activity that recognized those students who attempted their homework and returned it to school at least 90% of the time.
- **Musicals:** All students had an opportunity to perform in a school musical at least once this year.
- **Students Walk:** Students were encouraged to walk daily. Students walked every morning before school began and logged how many miles they walked. They were learning a lifetime "heart healthy" activity.
- **Score 1 for Health:** This program was a partnership between Kansas City University of Medicine and Biosciences and the Deron Cherry Foundation. It provided health screenings for children.
- **Second Step Program:** This violence prevention program taught students how to effectively manage their

emotions and demonstrate self control.

## Caruthers' Mission Statement

Caruthers Elementary will strive to be a community of life-long learners. Together, we will help our students reach their academic goals in order to reach their full potential and meet challenges as a team, so no one is left behind.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to access local strengths and weaknesses based on past performance and to plan program improvements.

Kansas City, Kansas Public Schools • 625 Minnesota Ave • Kansas City, KS 66101 • (913) 551-3200

*Vision: Striving to Become One of the Top 10 School Districts in the Nation.*

Current Accreditation Status: Accredited

Title 1 School on Improvement for the past 3 years.

## ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2008-2009 school year, this school did not make AYP. More information on this school's performance on the AYP measures is provided below.
