### School Highlights

- Central Elementary 3rd, 4th, and 5th grade students scored proficient or above on the Kansas State Reading Assessment to meet Adequate Yearly Progress Safe Harbor requirements across all subgroups.
- Central Elementary 3rd, 4th, and 5th grade students scored proficient or above on the Kansas State Mathematics Assessment to meet Adequate Yearly Progress requirements across all subgroups.
- Central students were afforded enriched and diverse learning opportunities throughout the year. Field trips were taken to Deanna Rose Farmstead, Heritage Nursery, Zoo, Nelson-Atkins Art Gallery, Schlagle Library, Kansas City Symphony, and Junior League of KCK and PTA plays. On-site assemblies; such as Arts Partners presentations, Safety Programs, Alvin Ailey Dancers, and motivational speakers supported instructional and behavioral goals.
- 5th grade club, voted on by their peers, served as the school's student government body. They made financial decisions about the Student Activity Funds, fundraiser and site celebrations.
- Central students were recognized weekly through the Student of the Week and STARS programs, and at quarterly awards assemblies for academic and behavioral achievement. SHARE club from Shawnee Mission East High School celebrated monthly birthdays with students.
- The District's designated Family Advocacy meeting days in August and February had a combined parent attendance rate of nearly 90%. Students from the District's high schools served as interpreters for these meetings.
- Central's Student Improvement Teams met twice weekly to address the academic and behavioral needs of students. Possible causes were discussed, interventions were implemented, and data was taken to make informed instructional decisions for the individual student.
- Central students and parents began the transition process of merging with Douglass Elementary by participating in Family Reading and Math nights held at Douglass. The Spring Musical was held at Douglass as well. Transitional information meetings were held at Douglass.
- Central staff began the transitional process by having joint staff development every Wednesday afternoon with the staff from Douglass.

### Central Elementary's Mission Statement

Our mission is to empower all students to use their abilities to reach their full potential in order to meet the challenges of a changing global society.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to assess local strengths and weaknesses based on past performance and to plan program improvements.

## ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2008-2009 school year, this school did make AYP. More information on this school's performance on the AYP measures is provided below.
