School Highlights

- Fifth Grade students attended Starbase Academy for five weeks this year. They learned scientific concepts having to do with flight through cooperative learning activities.
- Many students participated in "Chat-n-Chew". Students read books and discussed them over lunch.
- Emerson students collected canned goods for Crosslines, collected pop tabs for Ronald McDonald House, participated in a Math-a-Thon to raise money for St. Jude's Children's Hospital, and donated to the United Way.
- Emerson won the "Spirit Award" in the Silver City Days Parade.
- Students at Emerson were eligible for before and after school care through Kidzone.
- Emerson students explored the arts through Kansas Cultural History programs, a Lyric Opera performance, visits to the Nelson Atkins and Kemper Museums, Alvin Ailey dancers, and Kaleidoscope programs.
- Emerson families enjoyed learning technical reading through an Art Family Night, improved their knowledge of Physical Education through a PE Family Night, and were amazed by a magician's performance that was sponsored by the PTA. Many came to take part in the Spring Carnival. Families were all geared up to go to the Kansas City T-Bones opening night together, but were unfortunately rained out.
- Students read over half a million pages during the school year through a Reading Achievers program. Students also participated in the Reading Is Fundamental book giveaway.
- Students had the chance to voice their opinions and work to improve our school through Student Council. Students also had the opportunity to participate in Good News Club, Girl Scouts, and Boy Scouts.
- The Student Improvement Teams met weekly to help students achieve their potential. Many of our students participated in after school tutoring.
- Fourth grade students participated in the National Assessment of Educational Progress this year.

La Mision de la Escuela Emerson es proveer un lugar seguro y agradable donde los alumnos pueden desarrollar su conocimiento, respecto y responsabilidad.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school

accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to assess local strengths and weaknesses based on past performance and to plan program improvements.

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2008-2009 school year, this school did not make AYP. More information on this school's performance on the AYP measures is provided below.
