School Highlights

- **English as a Second Language** — Our ESL population has grown to more than 60%. The majority of the Mark Twain staff is ESL endorsed or currently working on their endorsement. We had a full time ESL teacher who spent the majority of her time collaborating with our teachers and co-teaching in the classroom.
- **School Improvement Team** — The SIT team met regularly to discuss the academic and behavior needs of our students. The team looked at classroom interventions to help the students who were recommended to make more progress in the classroom.
- **RIF** — The Reading is Fundamental Program gave students the opportunity to receive books. Books were also made available in Spanish for our ELL students. Students received books in May so that they could begin on their summer reading.
- **Mark Twain's PTA** worked very hard this year. Many projects were completed including a Fall Festival, Math Bowl Night, a Valentine's Dance, a Black History Celebration, and a Cinco de Mayo celebration that included professional dancers as well as Mark Twain's own students performing folkloric dances and a "Mexican" pot luck dinner. PTA encouraged community involvement and helped raise money for our school.
- Mark Twain worked with the **Urban Scholastic Center** under the direction of Chuck Allen. Mr. Allen worked on a weekly basis with our older students in the areas of character building and making wise choices. The Urban Scholastic Center worked with the Good News Club to provide after school activities for Mark Twain students on Wednesdays during Early Release time. Several volunteers from the Urban Scholastic Center tutored students in classrooms throughout the year. The Mark Twain staff also took advantage of the Urban Scholastic Center facilities for the 'end of year' staff celebration.
- Although Mark Twain made 'safe harbor' in both reading and math, they did not have the minimum percent of students scoring at the proficient level to meet the state's criterion for "adequate yearly progress." Mark Twain held **after-school tutoring** to increase student achievement. Tutoring was provided in math and reading two-three times per week for students in all grades.
- **Score 1** provided health screenings for the students at Mark Twain. The screenings resulted in students getting necessary health and dental assistance.
- **Harvesters Community Food** provided backpacks full of food for Mark Twain students. The food was delivered on Thursdays and sent home with students on Fridays. Students enjoyed a variety of healthy perishable foods.
- Kindergarten teacher, Amy Hinkle, worked with Deb Bumgardner from **Safe Kids Metro**, Jeff Froman from **W.C. Public Safety Department**, and Phyllis Larimore from **Children's Mercy** to organize a variety of

safety activities for Mark Twain students. One of the activities included a booster seat drive where nearly 50 booster seats were distributed to Mark Twain students.

Mission Statement

To have every child reading at or above grade level by third grade with no regressions thereafter and to provide the educational foundation for students to become self-reliant, life-long learners.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to access local strengths and weaknesses based on past performance and to plan program improvements.

Title 1 School on Improvement for the past 3 years.

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2008-2009 school year, this school did make AYP. More information on this school's performance on the AYP measures is provided below.
