School Highlights

- **Made AYP** in both Math and Reading.
- **Special Education Collaboration:** We are proud to say that we moved to a collaborative model of education between our special education population and our general education students. We felt it extremely important for our Special Education students to have the opportunity to hear and study on grade level material while being supported by a general education instructor and a special education professional. We will continue focusing on instruction and collaboration to achieve the district 2010 goals.
- **Mentoring & Tutoring Program:** Our mentoring program continued to bring in several tutors from our partnerships with KU, Site Council, & Youth Friends.
- **Educational Talent Search:** Many of our students were involved in KU's Talent Search Program; which included academic assistance and support, as well as special services to foster long range academic plans.
- **Rosedale - Parents, Advocates, Community, and Kids (R-PACK):** We continued the partnership created last year between members of the Rosedale community, KU Social Work Program, and the Wyandotte Mental Health Center. We successfully identified and received services, through a joint effort, for several Rosedale students and their families.
- **Parent, Teacher, Student Association (PTSA):** We continued to support the creation and implementation of a bilingual parent, teacher, and student organization this year.
- **Unitown:** Students from Rosedale and Pembroke Hill held a two day seminar focusing on diversity issues.
- **Honor Choir:** Performed at Union Station.
- **Talent Show:** Students and Staff performed in an assembly both for the student body and faculty; then for parents during an evening event.
- **Music Dept:** Performed the drama production, "Cinderella".
- **Math/Reading Achievers:** Students were awarded for their achievement in reading and math benchmarking.
- **Saturday Math Blasters:** Students were able to come to school to make up and receive extra help on math benchmarks.
- **Wright Flight:** Students learned about the history of flight and after successfully completing the course they were able to tour Whiteman AFB.
- **Cat Cards:** Awarded students for their behavior and increased GPA.
- **KCK Community Gardens Project:** Science students worked to help build our schools' organic "Raised Bed" Garden.
- **Math Relays:** 82 RMS students participated at Math relays placing 3rd.
- **School Wide Read-In:** Students all participated in a community sponsored, grade level read-in to promote

the importance of reading.

- **Spelling Bee:** Rosedale students competed first, in their language arts classrooms, then in a school-wide spelling bee, and finally the overall winner competed in the Wyandotte county spelling bee, where he placed 3rd.
- **Enrichment Activities:** Our students stayed after school for many programs such as drama troupe, debate, sports teams, tutoring, Fellowship of Christian Athletes, Reading Achievers, Math Achievers, art activities, mentoring programs, student council, pep club, band, choir, and more.
- **Kauffman Scholars:** A comprehensive, multi-year program designed to help promising students in Kansas City prepare for and complete a college education.
- **Community Service:** Participated in United Way, cleaning up the neighborhood projects, and partnered with KU and the Rosedale Development Association for joint projects such as the street fair.
- **English classes:** Provided English classes for Spanish speaking parents.
- **Cheese Study:** Partnered with KU in a cheese study sponsored by the Dairy Association, which will be presented in Las Vegas.
- **KU Street Fair:** Partnered with KU to hold their annual fair at Rosedale. Raised \$1,800 to donate to the Rosedale Development Association (RDA) and R-PACK.
- **B.O.L.T.:** Bridging Older Adults Learning Technology. Partnered with Landon Center for aging on technology. Rosedale students helped older adults with a variety of technology skills.

Rosedale's Mission Statement

Rosedale Middle School develops skills for life-long learning.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to access local strengths and weaknesses based on past performance and to plan program improvements.

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2008-2009 school year, this school did not make AYP. More information on this school's performance on the AYP measures is provided below.
