School Highlights

- **Student Council** — This group was made up of elected student leaders in the intermediate grades. They sponsored student activities that supported our whole community of learners, and developed academic goals to strengthen student achievement.
- **Celebration of Learning** — Each class and special support areas showcased academic learning in all subjects. Parents, friends and community members were invited to view projects and student work and to interact with students and staff.
- **Tutoring (Adopt A School - GFMB)** — This was an after school tutorial volunteer program once a week (in Math/Reading every Wednesday).
- **Quarterly Family Nights** — During our Family Nights parents and students learned ways to practice skills in Reading and Mathematics. Staff members were invited to view projects and interact with students and staff.
- **Kidzone** — This before and after school program provided childcare, and academics, with special emphasis in Reading, recreation and creative arts.
- **Foster Grandparents** — These volunteers came in each week and offered support for teachers and students – often these individuals listened to students read which increased fluency.
- **Intervention Specialists** — Math and Reading was the focus for all students especially those in grades 3-5. A teacher worked intensively with small groups of students to reinforce specific math and reading strategies taught in classes.
- **Good News Club** — An after school class each Friday – it included dynamic Bible lessons, creative learning activities, inspiring missionary stories, and life changing scripture memory. It taught Christian life lessons to be applied in everyday pressures of life.
- **Safety Patrol** — This group was made up of selected fifth grade students. They demonstrated leadership as well as good citizenship and were trained to help enforce hallway and dismissal rules of students at the end of the day.
- **Parent Teacher Association** — This program promoted parent and student community involvement with the school. It fostered positive relationships with the school and home.

W. A. White's Mission Statement

William Allen White Elementary will strengthen meaningful relationships with all students, parents, and the

community. We will ensure student achievement for all students while providing a supportive environment for all members of the Learning Community.

This building report card is a brief summary of how your school and students are performing and the impact of your local school improvement plan. However, it should not be used as a single source to judge students or school accomplishments. No single report can tell the whole story of a district's or school's education program. This report card does not provide information about curriculum, teaching methods, special programs, the "climate" of your school or the performance of individual teachers or administrators.

In addition, this report card is not a way of "rating" or "ranking" schools. Because of the distinct community and student characteristics, direct comparison between schools or districts are invalid. Rank-ordering school districts or schools is a clear misuse of the information. Rather, the information should be used to assess local strengths and weaknesses based on past performance and to plan program improvements.

Kansas City, Kansas Public Schools • 625 Minnesota Ave • Kansas City, KS 66101 • (913) 551-3200

Vision: Striving to Become One of the Top 10 School Districts in the Nation.

Report Card 2008-2009

ADEQUATE YEARLY PROGRESS

Adequate Yearly Progress (AYP) is a method for determining if schools, districts and the state have made adequate progress in improving student achievement. AYP is based on participation and performance on state assessments, as well as attendance rates for elementary and middle schools, and, for high schools, graduation rates. For the 2008-2009 school year, this school did not make AYP. More information on this school's performance on the AYP measures is provided below.
