This map has been prepared for your information and convenience.

While it has been drawn as accurately as possible, it should be noted that official school boundary descriptions are found only in the written policies of the Board of Education. Changes must occasionally be made in the school attendance boundaries so new maps are issued as needed.

Questions about school boundaries can be answered by visiting or calling the Student Services Office, 2010 N. 59th St., Kansas City, KS 66104, (913) 279-2248. Information about the school district and additional maps can be obtained from the Communications Office, (913) 279-2242.

Students attending Sumner Academy of Arts and Science are from throughout the school district.
